THE BOX SF

THE BOX SF | 1069 HOWARD STREET, SAN FRANCISCO, CA 94103 | 415.934.6900 | FAX 415.934.6999 | THEBOXSF.COM

THE BOX SF is the 3rd floor of the historic 1920s William Randolph Hearst former printing plant. The windows, high ceilings and gorgeous wood are to die for. We are located in the South of Market District of San Francisco just 2 blocks West of Moscone Center at 1069 Howard Street. (Between 6th and 7th Streets)

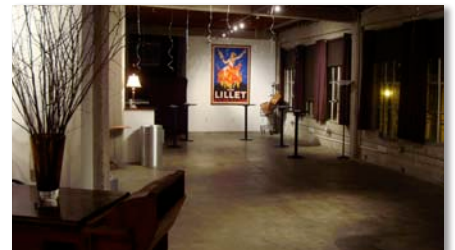

THE BOX SF is home of the award-winning branding and graphic design firm Reflectur and home of Brainfood Creative Programs and Republic of Sound. This unique private meeting, meet-up, seminar, reception, conference, wine, food, retail and creative-event space has two unique rooms available for many types of events.

Every Monday we bring networkers, corporations, speakers, retailers, artists, musicians, filmmakers, chefs, winemakers, coaches and trainers into a fresh private collaborative space where we can share, help each other grow our businesses, and better network. And, we are quickly becoming San Francisco's social networking space.

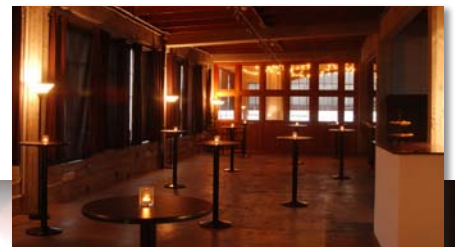

The smaller of our two rooms can seat 18-30 around the tables, and up to 65 in the room for a seated or standing private reception around our unique, one of a kind 300 year-old tables made from antique village gate doors from China. The larger main room can hold 80-100 people seated, and up to 200 people for a private standing reception.

HERE'S MORE DETAIL ON THESE TWO UNIQUE SPACES:

THE BOX SF is often used for everything from weddings and holiday parties to business meetings/trainings, receptions, creative events, artist and social networking events, speaker series, seminars, concerts, food and wine events, and other types of retail and product gatherings including media events. Non-profit events and artist groups are always welcome and it is a wonderful place for your next meet-up or social and business networking event.

THE BOX SF has a retail component that offers unique artisan and hand-crafted products, one-of-a-kind objects, accessories and cool artist-designed products along with small hand-crafted wines, CDs, books, apparel, short films on DVD, gifts and antiques. We love collaborating on and working to make any event special!

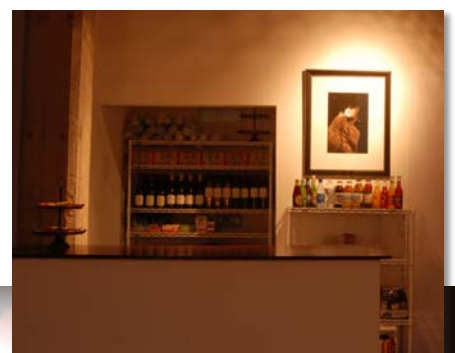

The facility is a beautifully creative alternative to typical noisy nightclubs, expensive and bland hotel spaces, and not-so-creative meeting spaces. And it's all non-smoking.

We offer teas, sodas, juices and snacks at our food bar on a suggested donation basis and can bring in any type of beverage or food. We also have relationships with full caterers, event planners, DJs, musicians, floral and technology providers and more for your standing or sit-down event!

THE BOX SF makes every effort to be as Green and Ecologically Sustainable as possible using compostable and fully recyclable materials. We offer free high-speed WiFi throughout the space and have a pull-down screen, projector, printer, fax and phones available as needed on a per-use basis.

The area offers lots of free street parking at night and metered parking during the day. The Fifth & Mission Parking Garage is just 3 blocks away and there are 2 other garages within 2 blocks of our location. We are between 6th and 7th Street on Howard Street at the corner of Moss Street. Please check MUNI transit schedules and routes for the nearest MUNI access. We are two blocks from the Civic Center BART stop at 7th and Market. Full security, valet parking and staffing are also available as needed. A freight elevator at street level on Moss Street (on the west side of the building) is available for your use in loading in any equipment, furniture or items necessary to make your event a success.

The space is operated by Reflectur/Brainfood Creative Programs and Seminars and Republic of Sound, and can be shown during business hours of 9am-6pm Monday through Friday or by special appointment at anytime!
